# SWITCHMATIC

## *New range of electronic pressure switches with total pump protection*

### *All in one!*

## TYPE

1 2 3

- *Digital pressure in bar and psi*
- *Digital instantaneous current lecture in A*
- *Easy adjustment of pressures 0-8 bar [0-116 psi]*
- *Dry-running protection with Automatic Restart.*
- *Overload protection*
- *Fast cycling protection.*
- *Synchronizable for groups of 2 pumps (cascade + alternated start)*
- *Alarm monitoring output (optional: 2A - 3A)*
- *Volt-free output for control panel managed sets.*
- *Multi voltage power supply 115-230 V (50/60 Hz)*
- *Multi voltage power supply 48-230 V (50/60 Hz)*
- *Sleep mode with low power consumption*
- *no/nc mode (as differential or inversed pressure switch)*
- *Manual start push-button*
